SET YOUR SIGHTS HIGH!

The world...yes, even the moon...can be yours... if you set your sights high.

America is entering an era of explosive expansion. New fields are opening up with startling rapidity.

Start planning now to make the most of your God-given abilities.

Rich rewards...both material and spiritual...await the trained man or woman... Education is available in many places...public schools, colleges, night schools, work-study programs...and through training in industry and the armed forces.

Yes, the future is yours... If you set your sights high and study hard.

The world...even the moon...can be yours.
